

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held June 10, 2008, the Board took the following action:

62-B

Supervisor Knabe made the following statement:

“Due to the increasing price of gas, many employers are looking for ways to decrease or avoid commuting for their employees for at least part of their work week.

“With gas prices over \$4 per gallon, many of our employees are finding it increasingly difficult to pay for transportation costs to drive to work. I believe that we should explore our options as it relates to telecommuting and/or offering further incentives to our employees to use public transportation.

“Although this is an economic issue it also falls within the County’s mission to conserve energy and resources.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Antonovich, unanimously carried, the Chief Executive Officer was instructed to report back to the Board within 30 days with options to update the County’s current telecommuting policies and/or other recommendations which can decrease transportation costs for our employees while preserving public access to County services.
